POLICY ON THE HIRING OF SCHOOL PREMISES
APPROVED: OCTOBER 2019
REVIEW: SEPTEMBER 2021

Christ is at the centre of our Church of England school community where we live, love and learn together within an inclusive and equalities framework, and where students of all faiths and none are welcomed into our Anglican Christian community. In all that we do, we seek to show God's care for our students. We value, respect and celebrate all faiths and cultures because we are inspired by a welcoming, inclusive and loving God, seen in Jesus Christ and lived out through the Holy Spirit alive in every person.

Our vision is to create a safe, caring, happy and inclusive community underpinned by our Christian values of service, compassion, justice and perseverance and our motto CARITATE ET DISCIPLINA - WITH LOVE AND LEARNING which come from the story of St Martin of Tours. Central to this is our school Bible verse from St Paul's first letter to the Corinthians.

Love is patient, love is kind. It does not envy, it does not boast, it is not proud. It does not dishonour others, it is not self-seeking, it is not easily angered, it keeps no record of wrongs. Love does not delight in evil but rejoices with the truth. It always protects, always trusts, always hopes, always perseveres. Love never fails.

1 Corinthians 13:4-8

1.1 INTRODUCTION

The Governing Board is committed to making every reasonable effort to ensure the school buildings and grounds ("the premises") are available for community use. Where there is a conflict between a 'hiring' and a school event priority will always be given to school events.

1.1.1 Definition of a Hiring

A hiring may be defined as:

'any use of the premises by either a community group or a commercial organisation, regardless of whether a hiring fee is charged'.

It must not interfere with the primary activity of the school, which is to provide a high standard of education for all its students.

1.1.2 Charges for a Hiring

The Governing Board is responsible for setting the charges for the hiring of the school premises. These are reviewed on an annual basis by the Governors' Finance & General Purposes Committee.

1.2 APPLYING TO USE THE SCHOOL

Enquiries to use the school premises should initially be made to the School Business Manager, to whom the Head has delegated responsibility for the management of lettings, in accordance with the school's policy.

If the Head has any concern about the appropriateness of a particular request for a letting, he/she will consult with the Chairman of the Finance & General Purposes Committee, who has the authority to determine the issue on behalf of the Governing Body. The Governing Board has the right to refuse an application and no letting should be regarded as 'booked' until approval has been given in writing. No public announcement of any activity or function taking place should be made by the organisation concerned until the booking has been confirmed in writing. The name of the school should not be associated with any booking without the written approval of the School Business Manager.

1.3 HIRE AGREEMENT

Once a hiring has been approved written confirmation will be sent. The hire agreement must be signed by both parties (the Hirer and the School) before the hiring can take place. It should be signed by a named individual ('the Hirer') and the agreement should be in their name, giving their permanent private address or in the case of a company that company's registered address.

The hire agreement will be signed in duplicate by the Hirer and the School Business Manager on behalf of the Governing Board.

The named individual applying to hire the premises will be invoiced **in advance** for the cost of the letting.

All hiring fees will be payable to the School.

If the Hirer has specific set-up requirements (e.g. setting up rows of chairs, room configuration, car parking assistance etc), this should be discussed with the School Business Manager in advance. A fee may be payable for such depending upon the extra time involved for caretaking staff etc.

A deposit payable by the Hirer may be required by the School in relation to obligations under Clause 2.8. In the event of breach of such obligations by the Hirer, the deposit becomes non-refundable and such monies may be retained by the School to cover any costs incurred in making good, returning the premises to its pre-hiring state (e.g. moving furniture back to position), any damage, cleaning up and /or breakages caused during a letting etc. If the deposit proves insufficient to cover such costs, the School retains the right to recover any excess from the Hirer.

1.4 TERMINATION OF CONTRACT

The Head, or the Chair of the Governing Board, has the immediate power to terminate any hire agreement relating to the hire of the school premises, in accordance with the terms and conditions of the agreement attached.

1.5 COMPLAINTS

Any complaints arising from a hiring agreement will be dealt with using the school's complaints procedure, a copy of which is available on the school website.

2.0 TERMS AND CONDITIONS OF HIRE OF THE SCHOOL PREMISES

These terms and conditions must be complied with.

The "Hirer" shall be the named individual on the hire agreement and this person and/or their organisation will be responsible for payment of all fees or other sums due in respect of the letting.

2.1 STATUS OF THE HIRER

Lettings will not be made to persons under the age of 18, or to any organisation or group with an unlawful or extremist background or of any background that could be deemed to cause reputational damage to the school (see 1.2).

The hire agreement is personal to the Hirer only, and nothing in it is intended to have the effect of giving exclusive possession of any part of the school to them or of creating any tenancy between the school and the Hirer.

2.2 SAFEGUARDING, CHILD PROTECTION, RISK ASSESSMENTS AND CHECKS

Safeguarding and promoting the welfare of children is **everyone's** responsibility. Everyone who comes into contact with children and their families and carers has a role to play in safeguarding children.

Schools are particularly important as they are trusted establishments, in a position to identify concerns early, provide help for children, and prevent concerns from escalating. All school and college staff have a responsibility to provide a safe environment for children. We include within this responsibility a need to understand the risks to young people on our site outside of core school times, including where premises are being hired to third parties.

2.3 DBS CHECKS

If a particular letting involves contact with children and young people under 18, it is the responsibility of the Hirer to ensure and be able to fully demonstrate that they have complied with the Disclosure and Barring Service (DBS) Code of Practice. The Hirer specifically undertakes to ensure that all of its staff and volunteers providing or offering a service on behalf of the Hirer are subject to a valid enhanced disclosure check undertaken through the DBS including a check against the adults' barred list or the children's barred list, as appropriate.

When there is a requirement for DBS checks to be undertaken, the Hirer must keep appropriate records for all adults in line with the DBS Code of Practice and report to the Head of the school any safeguarding concerns which may arise.

The Hirer must be able to provide evidence that DBS checks and other safeguarding requirements detailed in Appendix 3 have been carried out for all relevant adults on request.

St Martin in the Fields High School specifically reserves the right to terminate this agreement with immediate effect if the Hirer does not have in force the appropriate arrangements with regards to the safeguarding of children in their care.

Hirers must have and must provide evidence of first aid training, public liability insurance and any other insurance that the School reasonably considers necessary.

2.3.1 What if your organisation can't do a DBS check?

Where an organisation does not have access to an affiliated body that can carry out Enhanced Criminal Records check via the Disclosure and Barring Service (DBS) for their employees / volunteers it will be permitted to apply for one through the school. In such instances, the hirer cannot undertake any activities which involve children until the checks are complete. When there is a requirement for DBS checks to be undertaken through the school, the Hirer will pay the school £75 for carrying out the DBS check on its behalf.

2.3.1.1 Update Service:

For information only: We recommend organisations discuss with their employees and volunteers at the time they carry out the DBS check whether they would be willing to register with the update service (for volunteers this is free and for employees this costs the individual £15 per year (August 2018 prices)). This will enable the organisation to carry out checks for free and get an instant update on certificate status.

2.3.1.2 Hirers that are Individuals:

Individuals that have not subscribed to the update service to allow the school to check their DBS status will need to provide a DBS certificate that has been carried out within the last 12 months.

Some individuals may be affiliated with a sporting body or other association through which they will be able to apply for the DBS checks. Please note that the school can only accept current DBS checks from individuals made through a sporting body or other such association affiliated to the hire which were issued within the calendar year.

Where an individual does not have this affiliation they will be required to apply for their DBS check through the school at the rates as outlined in section 2.3.1 above.

Where there is more than 3 months since the individual attended the school site an updated check will be required. It is strongly recommended that such individuals subscribe to the Update Service to ensure their DBS check can be confirmed to remain valid by the school, where a 3 month gap in attending the school site occurs.

2.3.2 Hires taking place during the school day

Where a let takes place during the school day (for example a lunchtime club for pupils) all Hirers will be subject to our visitor procedure and MUST sign in and out at reception where they will receive a lanyard that must be displayed at all times.

We must confirm whether the school holds a valid DBS check for the individuals.

- If the school holds details of your valid DBS, that individual will be issued with a lanyard, confirming that they can be on site unsupervised.
- If the school does not hold details of your valid DBS they will be issued with a lanyard confirming that they can be on site but should be supervised at all times. Hirer's will be required to confirm this understanding.

2.3.3.2 Hires outside the school day (after 5:30 pm) that do not involve under 18's

If the hire does not involve the teaching, training, instructing, caring or supervision of under 18's no checks are required.

2.3.3.3 Hires outside the school day (after 5:30 pm) that do involve under 18's / vulnerable people where there are no more than 4 separate days hire in a period of 30 days

Hirers will need to sign an annual declaration (appendix 2) and Appendix 3, confirming that they have:

- Received a copy of the School's Safeguarding/Child Protection Policy
- Received copy of the School's Safeguarding/Child Protection Procedures
- Received copy of Keeping Children Safe in Education 2019 Part 1, Part 5 and Annex A
- Read and understood the contents of the above documents

2.3.3.4 Hires outside the school day (after 5:30 pm) that do involve under 18's / vulnerable people where there are 4 or more separate days hire in a period of 30 days

This type of hire is 'Regulated Activity'. In addition to signing the declaration in Appendix 2 Hirers will be subject to the additional safeguarding checks outlined in Appendix 3

2.3.4 School's Absolute Discretion

The school reserves the right to impose any additional requirements to any hirer that they consider appropriate in connection with the hiring. If for any reason the school is not satisfied regarding this or any of the above requirements then they reserve the right to cancel any hiring and there shall be no liability to the Hirer other than to refund any hiring fee or deposit paid.

2.4 INDEMNITY AND INSURANCE

Lettings are made on the agreement that the Governing Board is indemnified by the Hirer against any loss, damage, costs and expenses during the use of the school premises by the Hirer except where such loss, damage costs and expenses are directly attributable to the negligence of the employees of the school/Governing Board.

The Hirer shall insure with a reputable insurance office approved by the Governing Board, against such funds as the Hirer may become liable to pay as compensation, arising out of bodily injury or illness (fatal or otherwise) to any person and/or costs, fees, expenses, loss or damage caused to property or the premises by any act or neglect of himself, his servants, agents or any person resorting to the premises by reason of the use of the premises by the Hirer.

Unless specifically agreed by the Governing Board, the insurance cover shall provide a limit of indemnity of not less than £5,000,000 (five million pounds) in respect of any one incident and to include liability for the premises including liability for fire and explosion risks arising from the hire of the premises.

The Hirer shall produce the policy of insurance and receipts for the current premium or premiums upon request by the School Business Manager or Governing Board within seven days of a request. No booking will be confirmed until proof of insurance cover has been provided. *The school shall not be responsible for any injury to persons or damage to property arising out of the letting of the premises.*

2.5 STATUTORY REQUIREMENTS

The Hirer must not do anything or permit any action which would, or might, constitute an illegal or immoral activity affecting the school premises or which would, or might, vitiate in whole or in part any insurance effected in respect of the premises from time to time.

2.6 LICENCES AND PERMISSIONS

The Hirer shall be responsible for obtaining any public licences necessary in connection with the booking and should confirm with the school the licences they hold.

Permission or licence must be obtained from the copyright owner, the owner of the sound recordings (if appropriate) and the publisher for any public performance of music, musicals, operas, or stage plays. The borrowing of music scores or plays from a local library does not constitute permission to perform.

Regulated entertainment, public music, singing and dancing can only take place on premises which have a Premises Licence authorising entertainment, or by applying for a Temporary Event Notice

The School Business Manager must be given at least four weeks' notice of a stage play production. The Hirer must obtain a Temporary Event Notice from the local Licensing Authority. The requirement is for the notice to be received by the Licensing Authority and the Police a

minimum of 10 **working** days before the planned event but not including the day of the delivery of the notice or the day of the event.

It is the responsibility of any Hirer to ensure that all copyright licences have been obtained to cover planned activities.

Hirers are reminded that it is illegal to photocopy music or plays without the express permission in writing of the copyright holder except in certain circumstances. Any infringement of this is liable to prosecution.

The Hirer shall indemnify the Governing Board against all sums of money which the school may have to pay by reason of an infringement of copyright or performing right occurring during the period of hire covered by this agreement.

2.7 PUBLIC SAFETY

All conditions attached to the granting of the licence, stage play or other licences and the school's health and safety policy shall be strictly observed. A copy of the policy is available from the school website. Nothing shall be done which will endanger the users of the building, or invalidate the policies of insurance relating to it and its contents. In particular:

- a) obstructions must not be placed in gangways or exits, nor in front of emergency exits, which must be available for free public access and exit at all times;
- b) the emergency lighting supply must be turned on during the whole time the premises are occupied, and must illuminate all exit signs and routes;
- c) fire-fighting apparatus shall be kept in its proper place and only used for its intended purpose;
- d) the Fire Brigade shall be called to any outbreak of fire, however slight, and details of the occurrence shall be given to the Business Manager.
- e) the Hirer is responsible for familiarising him/herself with the procedure for evacuation of the premises, escape routes, assembly points and shall be familiar with the fire-fighting equipment available (see 2.7.1).
- f) the Hirer is responsible for communicating the information in 2.7.1 to anyone attending the event or activity;
- g) performances involving danger to the public shall not be permitted;
- h) highly flammable substances shall not be brought into, or used, in any part of the premises. No internal decorations of a combustible nature (e.g. polystyrene, cotton, hay, etc) shall be undertaken or erected.
- i) no latex materials, including balloons, may be brought onto the premises
- j) no unauthorised heating appliances shall be used on the premises;

k) all electrical equipment brought onto the premises shall be subject to regular PAT testing and certification provided in evidence. The intention to use any electrical equipment must be notified on the hire application form. The Governing Body disclaim all responsibility for all claims and costs arising out of or in any way relating to such equipment.

l) adequate supervision must be provided to maintain order and good conduct, and, where applicable, the Hirer must adhere to the correct adult/minor ratios at all times when these are specified for particular activities, e.g. by national governing bodies of sports, scouts etc.

2.7.1 Emergency Evacuation Procedure

It is recommended that the Hirer familiarise themselves with the following, sharing with all under their control as Hirer:

- Anyone discovering a fire should immediately sound the nearest fire alarm. In the case of a child they should then inform the nearest adult.
- The alarm signal is a continuous siren or bell. The function of the alarm is to warn every person in the building that a state of emergency has arisen and that the drill procedure should be put into operation at once.
- Whenever the fire alarm sounds in school, please do not assume that this is a drill and does not affect you, please exit the school in a safe, orderly and efficient manner and congregate at the assembly point.
- The evacuation should be carried out quietly in order that any instructions given can be heard.
- To avoid fire spreading, if possible, windows as well as doors should be closed. However the closing of windows and doors should not unduly delay the evacuation of the building or present a health or safety risk. Adults must assess the situation and use their discretion.
- On reaching a staircase people should descend in single file using one side of the staircase only

Assembly Point This is on the School playing field. Please also note that this assembly point may be different to that listed on notices around the building. Once at the assembly point the caretaker will come to you as soon as possible and let you know when it is safe to return or what action needs to be taken.

Roll Call The Hirer/club organiser or another designated person must take the responsibility of Fire Warden. Once at the place of assembly a roll call or count must be taken and it is the responsibility of the Warden to have an up to date list of all attendees. Should anybody be missing the Fire Brigade/Caretaker on duty must be informed immediately. If danger to life is present the Fire Brigade will search for missing persons. Nobody will be allowed to re-enter a building. In the case of a drill permission to re-enter the building is given by the Caretaker on duty.

Attacking the Fire Circumstances will dictate as to whether fire-fighting operations should be attempted; the important thing is that FIREFIGHTING MUST ALWAYS BE SECONDARY TO LIFE SAFETY.

2.8 THE HIRER'S RESPONSIBILITY

The Hirer must inform the School Business Manager in writing of any fault, damage or other problems with the premises or equipment encountered during the hiring.

No part of the premises are to be used other than for the purpose requested.

No part of the premises requested are to be used for any unlawful purpose or in any unlawful way.

The premises used must be left exactly as found with litter put into bins and furniture returned to its original position.

The school reserves the right to pass on to the Hirer any costs incurred in making good, returning the premises to its pre-hiring state (e.g. moving furniture back to position), any damage, cleaning up and /or breakages caused during a letting.

The Hirer must undertake their own risk assessments for Health & Safety purposes.

2.8.1 Own Risk

It is the Hirer's responsibility to ensure that all those attending are made aware of the fact that they do so in all respects at their own risk.

2.8.2 First Aid Facilities

It is the responsibility of the Hirer to make their own first aid arrangements, such as the provision of a first aid kit, and the provision of first aid training for supervising personnel, particularly in the case of sports lettings. There is no legal requirement for the school to provide first aid facilities and use of the school's resources is not permitted.

2.8.3 Furniture and Fittings

Furniture or fittings shall not be removed or interfered with in any way. Nor shall they be re-arranged except by prior agreement and will be subject to reinstatement at the end of each session of use. (If available, caretakers may be able to help, but this is still the Hirer's responsibility). No fittings or decorating of any kind necessitating drilling, or the fixing of nails or screws into fixtures which are part of the school fabric, are permitted. In the event of any damage to premises or property arising from the letting, the Hirer shall pay the cost of any reparation required. The school reserves the right to pass on to the Hirer any costs incurred in making good damage caused during a letting. Hall floors are used by children for physical education and no substance is to be applied to floors to prepare them for dancing or any other activity. No footwear

liable to damage floors may be worn in school buildings. If activities involve outdoor use, participants should ensure footwear is cleaned before re-entering the building.

2.8.4 Food and Drink

No food and drink may be prepared or consumed on the property without the direct permission of the School Business Manager in line with current food hygiene regulations. Where food is served the Hirer will be asked to provide food preparation certificates for the relevant personnel.

No nuts or food containing nut products should be brought onto the school premises.

2.8.5 Kitchen/Food preparation, Facilities and Equipment

There are no catering facilities available for use.

A 'Slip Kitchen', where only a kettle and washing up facilities are available, can be used by a Hirer without supervision.

2.8.6 Intoxicating Liquor

No intoxicating liquors are permitted to be bought, sold or consumed on any part of the premises without the permission in writing of the Business Manager, whose written consent must also be obtained prior to seeking any Temporary Event Notice from the Local Authority for the sale of alcoholic liquor. All evidence of intoxicating liquor including, inter alia, crates and bottles, must be removed from the premises at the end of the hiring.

2.8.7 Smoking

Smoking is not permitted on any of the school premises. This includes all of the school grounds.

2.8.8 Betting, Gaming and Lotteries

Nothing shall be done on, or in relation to, the premises in contravention of the law relating to betting, gaming and lotteries, and the persons or organisations responsible for functions held in the premises shall ensure that the requirements of the relevant legislation are strictly observed.

2.8.9 Nuisance/Disturbance

Hirers and organisers of events in or at the school premises are responsible for ensuring that the noise level of their functions does not interfere with the other activities within the building nor to cause inconvenience for the occupiers of nearby houses or property.

The Hirer must comply with the school's arrangements for disposal of any rubbish or waste materials.

Except in the case of trained guide-dogs for the blind and hearing dogs for the deaf, animals shall not be permitted anywhere on the school premises including the school playing fields.

2.8.10 Rules

The Hirer shall comply with any rules and regulations which the Governing Board shall make from time to time.

2.8.11 Charges and Cancellations

Charges are always specified in writing to the Hirer including any review arrangements..

The Governing Board may cancel without notice any letting for which payment has not been received. This may be a single event or, for multiple lettings, the first in the series for which payment has not been received.

The letting may be cancelled by the Hirer, provided that in each circumstance at least two months notice is given. Cancellations made less than two months before the event date will be charged in full.

For bookings made on a regular basis, i.e. at least ten bookings per term, the following notice period will be required for 'one off' cancellations: Over 72 hours, no cancellation charge, 48 – 72 hours, 50% charge and less than 48 hours, 100% charge.

The Governing Board may cancel a letting giving 28 days notice. In such circumstances any deposit or other payment received for the cancelled event will be refunded. In exceptional circumstances where the requirements of a school activity necessitates the cancellation of an event with less than 28 days notice the Governing Body may at its sole discretion offer an alternative date to hire or issue a full refund.

The Governing Board will not accept any responsibility for any loss, or other expenses however incurred by the Hirer, in the event of a cancellation by the Governing Body of the letting as a result of circumstances beyond its control (including, without prejudice to the generality of the same, industrial action by its employees, or others inclement weather, failure of electricity/gas supply, health and safety issues relating to factors beyond the control of the Governing Board). The decision of the Governing Board as to whether a letting should be cancelled shall be binding on the Hirer. Notification of any cancellation shall be in writing and may be by email, fax or recorded delivery letter.

Where the premises are not left in their original condition the Hirer will be responsible for paying any costs associated with full re-instatement.

2.8.12 Sub-Letting

The Hirer shall not sub-let the premises, underlet or share possession with any other parties.

2.8.13 Storage Ancillary to the Hiring

No goods or equipment should be left or stored on the premises without express permission from the School in writing. The school accepts no responsibility for items left on the premises.

2.8.14 Loss of Property

The Governing Board cannot accept responsibility for damage to, or the loss or theft of, Hirer's property and effects. It is the responsibility of the Hirer to make his/her own insurance arrangements if required.

2.8.15 Car Parking

The Hirer is responsible for providing sufficient adults to supervise the parking and traffic movement of vehicles on site. Cars shall not be parked so as to cause an obstruction at the entrance to, or exits from, the School. **In particular, the Hirer must ensure that access to the school by emergency vehicles is not obstructed or delayed.** Users of the school should avoid undue noise on arrival and departure.

2.8.16 Toilet Facilities

Access to the school's designated toilet facilities is included as part of the hire arrangements.

2.8.17 Right of Access

The Governing Board reserves the right of access to the premises during the hiring. (The School Business Manager or members of the Governing Board from the Finance & General Purposes committee may monitor activities from time to time).

2.8.18 Vacation of Premises

The Hirer shall ensure that the premises are vacated promptly at the end of the hiring session. The Hirer is responsible for supervising any children taking part in an activity until they are collected by a responsible adult.

2.8.19 Complaints

Any complaints arising from a hiring agreement will be dealt with using the school's complaints procedure, a copy of which is available from the school website.

ANNUAL DECLARATION FORM

At St Martin-in-the-Fields High School for Girls, we strongly promote the need for vigilant awareness of safeguarding issues. It is important that all staff have appropriate training and induction so that they understand their roles and responsibilities and are confident about carrying them out. Staff, pupils, parents and governors should feel secure that they could raise any issues or concerns about the safety or welfare of children and know that they will be listened to and taken seriously. This will be achieved by maintaining an ethos of safeguarding and promoting the welfare of children and young people and protecting staff and hirers. This is supported by clear behaviour, anti-bullying and child protection policies, appropriate induction and training, briefing and discussion of relevant issues and relevant learning in line with current legislation and guidelines. In line with this ethos, the school may require hirers who have regular (4 or more days hire in a 30 day period) unsupervised access to young people to be checked through arrangements with the Disclosure and Barring Service. We will advise you separately if this applies to your booking. All hirers who hire the premises and are involved in the supervision or training of under 18's / vulnerable people whilst using the school site are required to read the school's Safeguarding/Child Protection Policy and Child Protection Procedures on an annual basis. Any hirers who regularly work at St Martins High School are also required to read Keeping Children Safe in Education 2019.
