

We give thanks for their 'school uniform' years at St Martins and ask for God's blessing on them as they move up to the 6th form.

## KS5

We are so thankful for our 6th formers, and ask that God would guide them this term. Many have A level exams to take and we ask that they would feel confident as these approach. We pray that they will achieve their chosen university places and that the values they have learned at school will carry them through to this next stage of their education.

## Staff

Please pray for our teaching staff this term, especially as they prepare students for their exams, and carry out the important duty of writing school reports for every student. We ask that they will be rewarded by seeing their students achieving well.

We thank God for all our non teaching staff, for their commitment and positivity. May God bless them richly this term.

## Prayer

Almighty God,  
Give us grace that we might encourage one another here at St Martin's. As we seek to serve one another, help us to persevere in doing good always. Inspire us by your love to seek justice and show compassion in all we do. Through Jesus Christ your son, our Lord.  
Amen

## School Prayer

Almighty and everlasting Father, hear the prayers of this School, founded by the church in the Fields in the name of Thy servant Martin.

We praise Thee for all the opportunities given to us in it, for both work and play. We thank Thee for the wisdom of men and women who have guided us since our foundation.

We pray for those who govern us now, and for those who teach and for those who learn, and for all those who serve our needs.

Help each one of us to be like St. Martin, and serve Thee by giving ourselves in service to our fellow men, so that we too come to find the joy and riches that do not pass away.  
Amen

# St Martin's Prayer Bulletin Summer Term 2019

SERVICE COMPASSION JUSTICE PERSEVERANCE

### ***Philippians 4:6***

*Do not be anxious about anything, but in every situation, by prayer and petition, with thanksgiving, present your requests to God*

### **Our themes this term are**

Respect, Happiness and Change

The photograph on the front of this leaflet was taken in the school chapel during our Prayer Space week in Lent. This focus on creative prayer for the world, our community and ourselves was really special, with staff and students taking time out from their busy days to have a moment of peace and creative prayer in the school chapel. It was a wonderful way to close one term and prepare for the next.

Summer term brings the inevitable Exams, and we are very conscious of supporting our girls taking GCSE and A-levels so make sure they can do their very best.

*Caritate et Disciplina*

### ***1 Thessalonians 5:16-18***

*Be joyful always, pray at all times, be thankful in all circumstances.*

### **Whole School**

We are thankful to God for the students and staff at St Martins.

For students who come to school each day wanting to learn, and who contribute to making this an exciting and caring school community.

For staff who give their energy to improving the life chances of each student through teaching, pastoral care and encouragement. We are thankful for premises, administration and catering staff who keep the school safe, organised and well fed.

**Thank you for giving your time to pray for our school, these are some areas for thanks and also some prayer needs we have:**

We give thanks for the year 6 students who have been given a place at St Martin's for the coming academic year, and pray for them as they prepare for secondary school.

### **KS3**

Summer term brings lots of opportunities for learning outside the classroom. We pray that our students would grow and develop their skills in sports, music and drama. We ask that they would be kept safe on educational trips and other activities.

### **KS4**

We particularly pray for girls in year 11 who are taking GCSE exams this term. We ask that they would be calm and focussed as they prepare to do their best.

*With Love and*
