21 September 2016

Dear families,

We would like to invite you to the Year 11 Parents information evening on Wednesday 28th September 2016. The evening will begin at 6 pm and will last for no longer than an hour. This will be an opportunity for you to receive key information regarding the expectations in Year 11. There will be a presentation from Mrs Greenlees (Progress Leader of Year 11), Heads of English, Mathematics and Science who will provide detailed information on course requirements and how you can support your daughter at home.

There will also be an opportunity for you to ask questions about the courses your daughter is studying. The Headteacher and other members of the Senior Leadership Team will also be present to answer any questions.

Attached to this email is the timetable for Year 11. It includes morning, lunchtime and after school revision sessions. The programme will commence from Monday 26th September. I would like to draw to your attention that we are making it **compulsory** for all students in Year 11 to attend an additional lesson after school (from 3.15-4.15). This will take place every Monday and we will alternate teaching them Science and Mathematics. The demands of these courses are of such a nature that it will be most beneficial for your daughter to attend.

I do hope you will encourage her to fully engage with the programme of support on offer. Please do not hesitate to contact me if you have any further questions. I look forward to meeting you on the 28th of September

Yours sincerely,

Suganthy Wilson
Deputy Headteacher
