Dear Families,

Year 11 Improving Performance at GCSE: February Half Term Revision

We want to ensure that your daughter maximises her potential during the forthcoming exams and maintains her focus over the half term holiday. We are holding revision sessions from Monday to Thursday of the half term week. Individual subject teachers will explain to your daughter about the nature of these. Below is a timetable of revision sessions taking place.

Please encourage your daughter to attend the relevant revision sessions, attending these, as well as after school revision, will have a positive impact on your daughters GCSE grades.

May I take this opportunity to thank you for your support to date and your continued support .

Yours Sincerely

S Wilson
