YEAR 11 EXAMINATION RESULTS DAY

THURSDAY 23 AUGUST 2018 - 10.00AM TO 1.00PM

To Year 11 Students, Parents/Carers

We look forward to seeing you on Results Day on **Thursday 23 August**. Please come to collect your results between 10.00am and 1.00pm. Results will be distributed in the sixth form common room as we will have some maintenance work taking place in the main building. On the day, you will be able to talk to your teachers and other post-16 providers about your next steps based on your results.

If you are unable to collect your results in person, you may nominate someone to do this for you, but they must come with the completed permission slip (see attached). The permission slip also applies if you are requesting a family member to collect results on your behalf. We will not give out results information to anyone who does not have your written permission. If you would like us to send your results to your home, please let us have a stamped addressed envelope. We can only provide results in this way if the postage is met by you.

On results day you will be provided with a grade for each subject examined. Along with this you will, where available, be given a uniform mark scale (UMS) score. This UMS score allows you to compare your mark against the relevant grade boundaries supplied by each examination board. These grade boundaries will be made available on results day. The school uses the UMS scores to judge if a subject grade is worth considering an appeal. This is generally done in September in consultation with each Head of Department.

In general, as a rule of thumb, if you are within 1-2 UMS marks away from the boundary you are considered for appeal. There is a financial cost for each appeal, the summary of which will be available on results day. If the grade is successfully appealed and changed, this charge is refunded. In order for the school to appeal any results we need to obtain your consent. The forms for this will be made available on results day. If you or your parent/carer makes a request for an appeal outside the criteria, the cost of this appeal will not be met by the school.

We are pleased that you have a plan in place for after Year 11, however if you would like to discuss a new idea or would like some guidance then you are welcome to discuss this after you have collected your results.

Late October, we will receive your official results certificates from the examination boards. You can come in and collect certificates on either Monday 12 November or Tuesday 13 November between 4.00pm and 6.00pm. Please note that we are unable to post certificates and they cannot be collected by anyone other than you, the candidate.

Have a wonderful summer, and we look forward to seeing you soon.

Wishing you all the very best for the future.
