## **THAMES WATER WORKS - POSSIBLE LATENESS TO SCHOOL**

Dear families

I received an email today, via Lambeth Local Authority, from the Labour Councillor, Knights Hill, to inform us that there is going to be a huge amount of traffic congestion in West Norwood. This will be from the 27<sup>th</sup> May 2019, when Thames Water starts a 13-month project to dig up the road through the town centre to lay a new water main.

They have informed us of this as they are aware that students in schools and colleges in the local area and further afield are travelling to and from school and may well find themselves caught up in traffic congestion causing them to be late for school.

Although Thames Water has written to residents, businesses and schools in the Norwood area, I wanted to reiterate this information so that you and your daughter are aware and that she leaves plenty of time to get to school to ensure that she is not late.

If unfortunately, your daughter happens to be caught up in any of this congestion and it looks likely that she may be late, please contact the school to let us know.

Yours sincerely

Beverley Stanislaus  
Headteacher
