30 March 2017

Dear Families

INFORMATION ABOUT THE NEW SCHOOL UNIFORM

As a result of the recent consultation with governors, staff, parents and students the school will be introducing new uniform from September 2017, and to support families with the cost of this change, the school will be purchasing the following items of uniform for every student, see the table below. As mentioned in my previous letter, we have been fortunate enough to receive some sponsorship for this.

Students in current Year 7 to 10	Reduced Cost if Additional is Required Only Available if purchased before 14 May
1 x blazer with embroidered logo	£35.00 (All Sizes)
1 x Jumper	£15.50 (All Sizes)
1 x Triple pleat tartan skirt	£18.00 (All Sizes)
2 x Non-iron premium logo blouses	£8.00 (Sizes Up to 32") / £10.00 (Sizes up to 34")

Because of the changes to the style of the uniform all students from Year 7 to Year 10 will be measured during the school day on the following day:

- **Wednesday 26 April 2017**

IMPORTANT INFORMATION FOR MEASURING DAY

To ensure the measuring process is quick and efficient we ask that students wear PE shorts and a plain T shirt underneath their normal school uniform. Prior to being measured they will take off their skirt, blouse and jumper. They will then be measured in their shorts and T- shirts. It is therefore important that girls are wearing something that they will be comfortable being seen in by the all-female fitters.

HOW WILL MEASURING DAY WORK?

All students will be invited class by class to the school hall. They will be given uniform to try on

Please Note: The expert staff from School Uniform Direct will be measuring students with September 2017 in mind and so we will be taking into consideration growth and sizing accordingly!

The process will be very quick and students are reminded that any delays will mean they could be dismissed late for break or lunch, so their cooperation in this is crucial.

HOW CAN YOU BUY MORE ITEMS UNIFORM?

Each student will be given a record of their sizes to take home, if you would like to purchase any additional items at the above discounted rate, you can do this by Sunday 14 May 2017. After this time there will no longer be a subsidy at the level of which is being offered. However, the suppliers will have other discounts available. As such it is a good idea to take advantage of the introductory offer. You can buy in two convenient ways.

1. Online from www.sud.co.uk
2. Visit School Uniform Direct store based in Mitcham (15 mins from the school). They are open 7 days a week. **School Uniform Direct, Unit 5 Mitcham Industrial Estate, Streatham Road, Mitcham CR4 2AP.**

HOW MUCH DOES IT COST TO BUY MORE ITEMS?

To help parents/carers with the purchase of any additional uniform there is changeover of uniform subsidy in place with a very generous discount. Therefore, this is the time to buy! However, this offer has a deadline and all purchases must be made by Sunday 14 May 2017. (You can exchange if you have the wrong size.)

Please Note: Any purchases after this date will be at Full Retail price.

WHAT IF IM NOT HAPPY WITH THE SIZES MEASURED OR MY CHILD DID NOT GET MEASURED/WAS AWAY?

You can visit the store (address above) before Sunday 14 May and you can have your child re-measured.

WHAT IF THE SIZES ARE NOT RIGHT WHEN THE ITEMS ARE DELIVERED?

School Uniform Direct will be stocking the uniform all year round from 1 August so you will be able to exchange them throughout the summer as long as they have the original packaging and have not been damaged or used! More information about exchanges will be in the packs when delivered.

Your daughter will be able to collect her new uniform from the school **before the end of term!**

Finally, please be assured that the cost of this new uniform (not the subsidised price) is not going to be any more than the cost of the current uniform. In fact, it works out slightly less as the supplier offers a range of discounts.

Please contact the school should you have any questions or concerns.

Yours sincerely,

Beverley Stanislaus
