Dear Families

Year 11 Improving Performance at GCSE: Easter Revision

We want to ensure that your daughter maximises her potential during the forthcoming exams and maintains her focus over the Easter Holidays. We are holding revision sessions throughout the first week of the Easter break.

Individual subject teachers will explain to your daughter about the nature of these. Included with this letter is a timetable of revision sessions taking place.

Please encourage your daughter to attend the relevant revision sessions, attending these, as well as after school revision, will have a positive impact on your daughters GCSE grades.

May I take this opportunity to thank you for your support to date and your continued support over the next three months.

Yours Sincerely

S Wilson

Mrs Suganthy Wilson
Deputy Headteacher
