Dear Parents/Carers

**YEAR 11 PROGRESS EVENING – Wednesday 2<sup>nd</sup> NOVEMBER from 4.30 - 7.30 pm  
STUDENTS SHOULD ATTEND IN FULL SCHOOL UNIFORM**

On Wednesday 2nd November from 4.30 – 7.30 pm there will be an opportunity for you and your daughter to meet with subject teachers to discuss general progress and set targets for the rest of the academic year, so that she can achieve the best possible results in her forthcoming exams.

There is no need to make appointments. When you arrive, please sign in at the main reception. You will be able to collect your daughter's report, which will include recent data. To ensure that you can get to see all of your daughter's teachers, we would ask that interviews be restricted to approximately five minutes. If you require a lengthier consultation with any member of staff, please arrange a mutually convenient appointment for another time.

In an assembly, students will be informed about a self review that they will be required to complete based on their report. You will find this self review on the reverse of the report. During the evening your daughter can use the self review to record specific points that will give her steps to improve her progress. We hope that this will be a very helpful strategy and give real clarity to the questions you and your daughter ask.

Please note that there will be no parking on the school site unless you require a disabled parking space, which should be arranged in advance.

I, and Mrs Greenlees, Year 11 Progress Leader, will be available throughout the evening and we look forward to meeting you and answering any questions or queries you may have.

Thank you for your continued support.

Yours sincerely
