

## Student Wellbeing

Student wellbeing underpins everything we do as a school. The chaplaincy, together with Progress Leaders and other staff, ensure our students are well supported and thrive.

Our students' spiritual wellbeing is at the heart of our community and includes the provision of prayer spaces for students of all faiths.

In addition, St Martin's works with Christian organisations such as School Pastors and XLP who provide mentoring and a listening ear to students.

## Encouraging Students' Voices

Here at St Martin's we value our students' ideas and encourage their input into all areas of school life. Our pastoral system encourages student voice through our student leaders and school council.

The Student Faith Committee includes representatives from different faiths. It meets each month to evaluate our worship, come up with new ideas and discuss any concerns that arise.

*"The Christian values at St Martin's encourage us to do our best and our teachers make us feel welcome."*

## Chaplaincy at St Martin's

SERVICE COMPASSION JUSTICE PERSEVERANCE

# Welcome

My name is Esther Moorey,  
and I am the School Chaplain.

## What does a Chaplain do?

My job is to lead and support the spiritual life of the school. From leading collective worship and providing resources for tutor group worship time, to running clubs, organising services and being a cheerful face in the corridors, life as a school chaplain is always busy. I also offer prayer and encouragement on a one-to-one basis.

## An extra dimension of care

As a Church of England school, St Martin's is special, and offers an extra dimension of care for our students. Not only do we strive for excellence in our academic life and behaviour, but we want our students' lives to benefit from the Christian values of our school, and for each of them to know that they are unique and loved by God.

## Celebrations and Festivals

As a Christian school, we celebrate Christian festivals and events throughout the academic year in collective worship and special church services. These include Harvest, St Martin's Day, Founders' Day, Christingle, Christmas, Lent and Easter.

The school gathers at the end of each term for a Thanksgiving service at Holy Trinity and St Matthias church.
