Dear Families

Here we are, at the end of another academic year and what a fantastic year we have had! It has been very busy and successful for all those concerned with St Martin's and we are all proud of our achievements.

So much has happened, much of which has been documented in our news items on our website. Please visit our news page as a reminder of all the great things that we have done and achieved during the academic year 2018-2019.

School finishes on Friday 19 July 2019. Students will be dismissed after lunch at 12.30. Details about the start of the new academic year are on the second page of this letter, so please read until the end.

Sadly, this summer, we will be saying goodbye to a number of staff. Ms Crean is moving to a school in North London. Mr Roden will be relocating to South Korea, Mr King is moving to a school in Berkshire, Ms Godfrey, to a school in Lambeth and Ms Rashed, to a school in Kent. I am sure you will want to join me in thanking them for their hard work, dedication and commitment to St Martin's and wish them well in their new posts.

I would like to take this opportunity to pay tribute to all the staff, and I am sure you will want to join me in thanking them for their hard work. Staff at St Martin's are professional, committed and work incredibly hard to ensure all students can achieve to their best, and be the best that they can be.

As this chapter closes, and as we look forward to beginning another, I want to assure you that we will continue our drive for improvement in all aspects of our school so that excellence is the norm. St Martin's is a special place, I enjoy coming to school everyday, leading and working with an amazing community of staff, students, families and governors. As we end this school year, I want to thank you again for your support in helping us to achieve all that we have for your daughter's.

On behalf of the staff and governors, I wish you all a happy and restful summer break. Whether it is here, or further afield, I hope you get to enjoy many days of warm weather, blue skies and summer sun!

'The motto of the school, Caritate et Disciplina - with Love and Learning, is driven by all staff in a common endeavour to improve the life chances of all students.' Ofsted May 2018.

Happy summer!

Blessings

Beverley Stanislaus
Headteacher
