Dear Families

Half Term Fun

Please see below information about a drawing project students can join in during half term and can enter the competition. Students are also invited to send their drawings in a bottle to us at homelearning@smartins.academy and we will showcase these when we return after the break.

Best wishes

Mrs Stanislaus

Bottle Moments

Visit the [bottle moments website](#) and you will be able to read about the project and the endorsements from Ben Sheppard, Good Morning Britain host, and Jodie Kidd, Model and TV Personality. The website will have lots of examples, [bottle templates](#) and information about the competition which is open for the under 5s all the way to 16 years. The whole family can join in this fun activity. I look forward to seeing your dreams in a bottle, please send them to us too!

WHAT IS YOUR BOTTLE MOMENT?

Having hope helps us keep going when things are really hard. Your Bottle Moment is the one thing you'd most like to do again when everything is better and back to normal. It could be a friend you'd most like to see, a place you'd most like to go, a hobby you'd most like to get back to, or simply getting a hug from someone special.

Right now, the Covid-19 pandemic is particularly taking its toll on children. This is why we are calling all **KIDS** to draw **their** Bottle Moments!

Another half term activity: Visit the [Tate Exhibition - Black Identities and Art](#)
