

St Martin-in-the-Fields High School for Girls

11-19 Church of England Academy Founded 1699

Hopeful Enquiring Respectful Organised Independent Collaborative

30th November 2021

Dear St Martin's Family

As you would have heard in recent Government announcements, the requirement for face coverings has returned.

Thank you so much for your support of the school by ensuring your child has a face mask to use throughout the day.

This is also a reminder that regular testing must be taken at home on Sunday nights and Wednesday evenings, and to report any positive test results that are taken. Should there be a positive Lateral Flow Test, the instructions are for you to isolate until you can get a negative test result PCR test. Please ensure that you keep us informed of any issues related to any illnesses or concerns you may have, and we will do our best to support you.

On a separate note, in January when we return to school on Tuesday 4th January 2022, please complete the following consent form so that we can continue doing in school testing processes, you may also find it more convenient to complete an on-line form. Please ONLY use one method, the hardcopy form will be coming home with your daughter, please return a hardcopy to school. If you are happy to, you can use the on-line form using the link below and we will send you a text with the same link.

Thank you for your cooperation and support, we look forward to keeping the school running and ensuring your daughter has an excellent education.

Yours sincerely

Ms J Okokon
Headteacher
